Greetings! We welcome you to another school year with us! St. Dorothy Church believes that the Faith-based education your child receives, supported by you, is one of the most important things we offer to this neighborhood! We are proud to provide this truly crucial need in our modern world. With this form, we wish to inform all parents of their commitment to the following religious responsibilities of their school registration.

All our students will be taught the basic principals of the Christian life from a Catholic perspective, and have daily religious instruction. Students will participate in Tuesday morning worship services (Eucharist), and daily school prayer. We ask you to support us in these efforts by having an active spiritual life yourselves.

Our Faith-based curriculum of excellence is not complete without the active Faith life of the school families whose children we educate. Thus, an active faith life and participation in church is a requirement for enrollment at St. Dorothy's. We cannot teach Faith Values without having it reinforced by family example. We sincerely hope you have your own church and are actively involved, but to ensure that at least once monthly our children and parents do worship together, we require all families of children registered at St. Dorothy School to attend Church services here once a month with their child (10:00am on the 3rd Sunday of the month). We feel it crucial that children experience in worship with their families. The faith we only teach in words in a school environment. If special circumstances arise, modifications to this policy may be made, but only after discussion with the pastor (e.g. Tuesday morning all-school Mass, attending worship at other times). We will begin monitoring church attendance this school year.

Thank you for your consideration of St. Dorothy among your many school options, and for your support of our concerns for a Faith-based foundation for education. We ask you to kindly sign below to verify your familiarity with our policy. May God bless and be with you always!
